

Bible Reading 2024

Purpose: To provide an opportunity for young people to develop skills through the oral reading of Scripture.

Process:

- Choose a reading from Old or New Testament for each participant.
- Choose reading from a standard translation, no paraphrases.
- **Each church must provide one judge for every four students registered in Bible Reading.**
- Virtual Submissions: Video must be one continuous take. Participants should treat the camera as the audience.

Rules:

1. A brief introduction is required. The entire presentation of the introduction and Scripture reading is not to be less than one minute or more than two minutes in length. The student's rating will be penalized for any time less than one minute or over two minutes. Therefore, aim for one minute and thirty seconds. After the two-minute time limit, the reader will be stopped.
2. The participant should not attempt to explain or interpret the passages. Participants should place major emphasis on the actual Bible reading and not on prepared statements. The identification of the passage, the translation, and the setting of the passage together shall not exceed 20 seconds.
3. Participants will be penalized if the identification and introduction exceed 20 seconds. Participants will also be penalized if they omit identification of the passage and translation. Memorization is neither required nor encouraged; your ability to read the passage is what is being judged.
4. Each participant will be rated by at least one judge.
5. Spectators may not leave or enter the room while participants are speaking. This is **not** a come-and-go event.
6. Any video or audio equipment must be set up prior to the session and must be stationary. No participant may be taped without his advance approval and appropriate notification of the judges.
7. There are five grade levels in this event: Grades 3-4, 5-6, 7-8, 9-10, 11-12.
8. Reading may be done in English or Spanish.
